School Fee Information

(website printed version)

Sibling Rebate

The **Sibling Rebate** amounts to a 10% discount off the tuition fees of the younger sibling/s where two or more girls from the same family currently attend TWC. However, the rebate will not apply in respect of girls who are already receiving financial assistance. Please note that the Development Levy will be payable in respect of each girl attending the school, regardless of whether the girl has siblings at TWC or not.

Deposit

When a girl is offered a place by the school, a non-refundable admission fee becomes payable:

- Junior School Day Girl - R3000
- Junior School Boarder - R4500
- Senior School Day Girl – R5000
- Senior School Boarder - R8000

Parents resident outside South Africa are required to make an additional deposit equivalent to one term's boarding and tuition fee, which will be offset against the balance of the girl's final account from the school.

Bursaries (Grades 8 – 12)

Limited funds are available in the event of a girl requiring assistance. Parents requesting consideration for a bursary will be asked to complete a bursary application form to provide a confidential motivation. Applications must be submitted by the start of the second term for the following academic year.

Fee Concessions

A discount of 3% per annum is given for the payment of a full year's fees, provided such payment is received at the beginning of the first term.

Payment Terms

Fees are charged quarterly and are payable in advance, on or before the first day of each term. Interest on outstanding accounts will be charged at 1.5% per month. Extras are to be paid within 30 days of the date of statement.

Notice of Withdrawal

One full term's notice in advance of the withdrawal date is required for both boarding and tuition fees.
