## Junior & Senior School Spiritual Life

(website printed version)

### Christian School

The Wykeham Collegiate is a Christian School which subscribes to Christian values. It is non-denominational and inclusive.

Time with Christ Week is a dedicated week during the school year celebrated by both Junior and Senior Schools and includes special age-appropriate devotional programmes for the whole school.

### Senior School

Besides regular Assemblies and Chapel services, girls have opportunities for spiritual growth through cell groups, Sunday morning or evening Boarder Chapel services and the Student Christian Association (SCA). The SCA also aims to have an annual camp to promote fellowship and individual growth and the girls are encouraged to attend inter-school Unity evenings and Christian rallies.

In Grades 10 and 11 girls may elect to take the Confirmation Course to affirm their commitment to Christianity and confirm their intention to live a life of committed discipleship. These classes are held at school and girls from all denominations are confirmed together at the end of the course.

### Junior School

In the Junior School, all girls attend Assembly and Chapel and each class has a turn once a year to lead these assemblies by acting out an inspirational message. Junior School boarders also attend the Sunday morning or evening Chapel Services. The Junior School SCA hosts inter-school Unity evenings at The Wykeham Collegiate where they invite Christian groups from other junior schools to attend an evening of fellowship.

Junior SCA (Students' Christian Association) is held once a week and girls from Grades 3 to 7 gather for worship, games and Bible Study. We aim to have an annual SCA camp which is run by El Olam ministries and is enjoyed by all the girls who attend.

Through these ministries we aspire to nurture and develop young girls as Christian leaders.
